Subject: Request for Travel Authorization to Warner Robins Air Materiel Area and Del Rio, Texas

Dear Sir:

STATINTL
STATINTL
It is hereby requested that travel authorization be granted for our Spares Coordinator, [REDACTED] to visit Warner Robins Air Materiel Area for two days and Del Rio, Texas for two days during the period 12 January to 23 January 1959. The exact dates of this visit are to be coordinated with [REDACTED] at WRAMA and the C. O. of the 4080th Reconnaissance Squadron at Del Rio.

The purpose of this travel is to:

(a) Coordinate supply activities including:

- (1) Outstanding work orders on Contract BC-450 -- delivery dates, etc.**
- (2) Purchase requests and deliveries on Contract MF-CT-696.**
- (3) Review packaging methods to be used for shipping special equipments and spares.**
- (4) To coordinate the return to the plant of inventory items for periodic inspection and repackaging.**

STATINTL
(b) Provide liaison between plant and field service engineers to insure maximum utilization to the project of all experience and information with regard to material and spares.

[REDACTED] last trip to Warner Robins and Del Rio was made in September 1958. It is urged that the subject travel authorization be granted so that the close liaison which has contributed so much to the success of the spares program may be maintained.

Very truly yours,

NYCON MFG. COMPANY
